

4300 GRAY ST BEFORE, DURING & AFTER

BEFORE

Exterior from W

DURING Construction

Exterior from W
Light comes through new porch cover
Old awnings are replaced with decorative shutters, again allowing more light

AFTER

New windows throughout
Exterior repainted
Old antennas removed

Fireplace in Living room

Fireplace in Living room
Replaced faux stone paneling with slate base and wood trim.

Lightens the corner and fireplace is a feature rather than dominating room.

4300 GRAY ST BEFORE, DURING & AFTER

Tiny Kitchen and utility/wash room

Larger kitchen to meet market demands

Demo complete in Kitchen
Kitchen expanded to include old utility room
Water heater relocated to crawl space
Laundry relocated to new closet outside master.

Granite slab counters
New appliances
New cabinets

Master Bedroom

Very dark paneling, interior wooden window shutters and old drop ceiling

Removed paneling, shutters and old ceiling
Installed laundry closet with hookups which opens to the hallway

Finished laundry closet adds convenience, but takes away little space
New walls and removed shutters bring light

4300 GRAY ST BEFORE, DURING & AFTER

Master bedroom

Master bedroom
New walls and ceiling
Floors to be refinished

New ceiling and refinished floor give refined look

South Exterior

Awnings removed
New shutters and paint
